

SHAFR Metro/Hotel Shuttle Schedule

The shuttle will pick up and drop off at the “Kiss and Ride” lot on the South Side of the Metro station. The shuttles will be green and will say either “Haymarket Transportation” or “Westfields Marriott” on the side. There will also be a sign saying “SHAFR” in the window.

Shuttle users with cell phones are encouraged to call 703-818-3535 to alert the shuttle providers that you will be arriving at the Metro station at a certain scheduled time. If you have not arrived at the scheduled departure time, the drivers will use their discretion and may hold the shuttle at the Metro station to await the arrival of the next Metro train.

Please note: The trip from the Vienna Metro Station to Westfields may take as little as 15 minutes. The schedule intervals of 45 minutes are to ensure we can stick to the schedule during rush hour or unexpected traffic problems.

Wednesday, June 20

Leave Vienna Metro	Leave Westfields
